

30G™ VCI Paper

- Global standard in corrosion inhibiting paper for both ferrous and non-ferrous metals.
- Recommended Applications: steel, iron, copper, brass, galvanized and zinc.

30W™ VCI Paper

- All the benefits of 30G with a wax barrier on one side.
- Recommended Applications: Oily/greasy items like bearings, export shipments and as a barrier to wet packaging/wood.

ARMOR WRAP® VCI PAPERS

Rust happens. It's a natural phenomenon of utmost certainty. If metal is exposed to moisture or contaminates, it breaks down and corrodes. So, unless actions are taken to protect the metal, nature prevails every time. That's where ARMOR comes in.

Armor Protective Packaging® takes safe and effective water-based rust preventatives (Vapor Corrosion Inhibitors) and impregnates them into easy-to-use packaging materials to prevent rust during shipping, storage or in-process applications. No grease, oils or harsh chemicals needed.

One of the key packaging materials is ARMOR WRAP® VCI Paper. ARMOR WRAP® papers are uniquely impregnated with VCI chemistry on both sides of the paper, unlike most competitors' one-sided products. No guesswork. Just wrap a clean metal part in ARMOR WRAP® Paper and store or ship. It's that easy.

MPI™ 30 VCI Paper

- A multi-metal protection paper for corrosion inhibition.
- Recommended Applications: Copper, brass, galvanized, aluminum and zinc.

60G™ VCI Paper

- Heavier grade corrosion inhibiting paper for both ferrous and non-ferrous metals.
- Recommended applications: Sharp objects, interleaving between parts, separating pallet surfaces from metal parts

30G™ VCI PAPER, ROLLS

Item #	Width (in.)	Length (yds.)	Length (ft.)	Rolls/Case	Case Wt.	Case Cube (sqft.)
VCI-30G12600	12	200	600	3	25	0.89
VCI-30G18600	18	200	600	2	25	0.89
VCI-30G24600	24	200	600	2	34	0.89
VCI-30G36600	36	200	600	1	25	0.89
VCI-30G361200	36	400	1200	1	49	1.30

60G™ VCI PAPER, ROLLS

Item #	Width (in.)	Length (yds.)	Length (ft.)	Rolls/Case	Case Wt.	Case Cube (sqft.)

MPI 30™ PAPER, SHEETS

Size (in.)	Item #	Lbs./Bundle	Sheets/Bundle	Sheets/Bundle
12 x 12	VCI-30MPI1212	12	1000	1000

Rolls: 12" rolls packed and sold 3 per box
 18" rolls packed and sold 2 per box
 24" rolls packed and sold 2 per box
 36" rolls packed and sold 1 per box

Sheets: up to 18" x 18" = 1000 sheets/pkg
 over 18" x 18" = 500 sheets/pkg

Some cases, depending on quantity, may require sheets to be palletized and tabbed every 500 sheets
